

More functionality for digital measurement

 **ROLATAPE®**

NEW!

RT412D

digital measuring wheel

with integrated display and memory

Handy collapsible design

Lightweight aluminium construction

Ergonomic pistol grip

ROLATAPE® RT412D

More functionality for digital measurement

► **Automatic unit conversion**

Current measured value and saved measured values can be converted into three units: ft/in, m/cm, ft/100ths

► **Pause function**

Holds the current display value, even when the measuring wheel is spinning – for interruptions and combined measurements

► **Measured value memory**

Quickly save and recall up to four measured values

► **Measurements up to max.**

9999.99 m – possible in both directions

► **Automatic shutdown**

after approx. 3 minutes

Digital, illuminated display

for optimum readability in any situation

Ergonomic softgrip

for comfortable handling

Aluminium shaft with continuously variable height adjustment

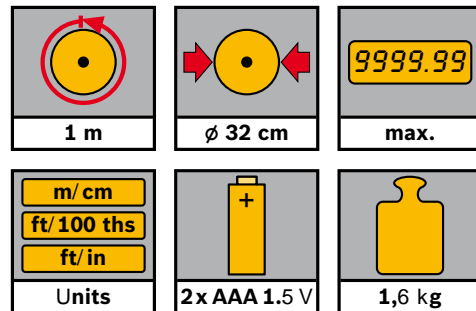

for more flexibility and comfort

High stability

Measuring wheel and handle are made of reinforced ABS plastic

Wide rubber wheel

Perfect for rough terrain and other surfaces

Technical Specifications	RT 412D
Part number	F 034 074 R02
Wheel circumference	1 m
Wheel diameter	32 cm
Max. display value	9999.99
Operating temperature	0–48°C
Storage temperature	0–50°C
Battery	2 x 1.5 V LR 03 (AAA)
Operating duration	30 h
Weight	1.6 kg
